Last month's business:

- Hall Rennos – on budget, termite damage minimal, plumber coming back to do toilets and hot water in blue room, electrician coming late next week. Tim working on hall today. Will need to arrange a working bee to paint blue room.
- Jinibara – letter went out to Mark Furner; the design brief is out to community following meeting with Uncle Ken Murphy; just waiting for responses before collating and working out rough design with Jinibara; the group is doing the catering for Troy Brady gig.
- Roads committee – Heather gave a brief run-down of where the committee is at with council etc. Stuart Langfield spoke about the Motor Cycle Advocacy Group which has a fb page of 970 members; advocating for positive action by bikers and promoting good relationships with the mountain community. He will write a post following this meeting.

Meeting closed: 9:05pm
