

# Project Notice

November 2017

**Councillor**  
**Darren Grimwade**  
**Division 11**

I am pleased this project is about to commence following requests from local residents.

The project will provide an important upgrade for this stretch of Mount Nebo Road used by parents and their children travelling to the local state school, recreational drivers and those travelling to the Manorina bush trails.

As your divisional councillor, I thank you for your patience while we work to make the Moreton Bay Region an even better place to live, work and play.

## **ROAD REMEDIATION - SEGMENT 2A** **MOUNT NEBO ROAD** **MOUNT NEBO**

Moreton Bay Regional Council will be undertaking road construction works in coming months to improve a 350m section of Mount Nebo Road, between the Goat Track and Jarrot Road, Mount Nebo.

Work is scheduled to commence in late November 2017 and is expected to be completed in July 2018, weather permitting.

The scope of works includes:

- Clearing of roadside vegetation and trees for the road widening
- Bulk earthworks
- Gabion wall construction (low side of the road)
- Segmented block wall construction
- Drainage works
- Road construction
- Installation of road signage and variable message signs
- Landscaping and revegetation

Due to the nature of works, construction activities such as one-way traffic management and noise may impact on the surrounding residential area. Hours of work will normally be between 7am to 6pm Monday to Friday and at times between 7am and 3pm Saturdays.

When works commence, Council asks that you observe the instructions of work crews and road signage, plan any travel accordingly, and apologises for any inconvenience that you may encounter.

Should you require any further information, please do not hesitate to contact Council's Project Officer, **David De Santi** on 3205 0555 or at [www.moretonbay.qld.gov.au](http://www.moretonbay.qld.gov.au).
