

# MOUNT NEBO ROAD REMEDIATION SEGMENT 2A

## PROJECT UPDATE 7 TO WEEK ENDING 19 JANUARY 2018

### Project Overview

Moreton Bay Regional Council is undertaking road construction works to improve a 350m section of Mount Nebo Road. Once complete, the project will provide improved traffic flow with enhanced safety for road users.

The works are being carried out by Hazell Bros.

### Works completed to the end of this week:

- Project Information Signs installed
- Variable Message Boards are in operation at both ends of the road segment now that roadworks are underway.
- Road barriers installed to create one lane 'no passing' road
- Traffic control lights installed to control traffic in the 'no passing' road section
- Excavation has commenced for installation of gabion retaining walls at northern section, Chainage 6650

## **Works planned for week starting Monday 22 January 2018**

- Continuation of excavation for first section Gabion Wall construction, approximately 150m length, at eastern end - Chainage 6650

**NOTE: Traffic restrictions have commenced on this section of Mount Nebo Road.**
