### General business:

- MNRA survey – request that everyone complete the survey, preferably online, but paper copies available at the café, PO and at Pub Night. 68 responses received so far. DUE Date 31 October.
- Issue arising. Whiteboard at PO for MNRA business only. The provision of another board for general community notice and businesses will be investigated. Julia & Cathy to scan and post reminders about the survey and entry statements.
- Remaining pub nights for 2019 –
  - I. Halloween 26 October – Entertainment Committee to talk to Rob L about acts for the night.

II. 6 December – end of year festival showcasing community events and achievements.  
End of year party. A call for photos of the community year to be posted.

- Robbie King will hold a combined AED, CPR & First Aid Training at the hall at 9.00am on 19 October. Gold coin donation to attend. He may also address the first aid dangers on the mountain, like ticks and leeches.
- Mount Nebo Volunteer Fire Brigade Report (Neville B)  
An awareness education visit with the truck was held at the school;  
Two callouts – one fire started by lightening strike & a callout to a single motorcycle accident;  
Open Day turnout disappointing, perhaps due to short notice and lack of publicity;  
*Current dry conditions a major concern:*  
All households should have a written fire plan to ensure that it's just not a vague idea which no one is sure of in the event of a fire.  
In the event of any concerns about a fire people should call 000 first. Locals should not call the brigade and the Bradfords direct as they have no authority to act until authorized.

**Meeting closed: 8.24pm**
