December 15, 2023

74 Temple St Coorparoo
Qld 4151

Dear Mount Nebo Residents Association:

As you are aware FireSight has commenced a bushfire risk project with the Mount Glorious Community Association (MGCA). In addition to the Scope of Work (SoW) already in progress for MGCA, FireSight can add the area surrounding the Mt Nebo village to the analysis.

MNRA contribution to the project is \$5,500 with 50% due on acceptance, and the balance on delivery of the results. These results will be delivered to MNRA and the wider community at Mt Nebo Hall in July 2024.

The proposal provided separately is valid through to 31 January 2024. After this time the opportunity to make these additions to the current SoW will have lapsed. MNRA will still have the chance to undertake a similar SoW, but this would need to be negotiated after this time and the cost would be in the order of the original MGCA proposal.

Sincerely,

Andrew Sturgess, Director.
